ARE YOU USING THE FOUR COMMUNICATION PLATFORMS

Provided by the Media Arts and Business Centers?

- The B2B Networking Sessions
- The B2B Directory
- The Podcasts
- The B2B Newsletters

THIS IS THE OPPORTUNITY

Small Businesses and Nonprofits has been waiting-on.

IT'S NOT FREE MONEY!

Members receive the funding and services for using the communication platforms and the network service-providers.

BIBLICAL PROSPERITY

YOUR DAILY BUSINESS WORD!

God is always **NOW!** He's not in yesterday and He Doesn't Manifest Himself in tomorrow. God can only Manifest Himself in the NOW! He said, NOW-FAITH IS _____. Whatever You Need Him to be in this moment, that He has already made Himself to be at this moment in time for you and your situation! Hebrews 11:1-6, **Now faith** is the substance of things hoped for, the evidence of things not seen.

TODAY'S SCRIPTURE

The sufferings of this present-time is not to be compared to the Glory and the Prosperity that is to come, because when what I am hoping-for finally happens I will totally appreciate and praise God for the process, because He will remind me that I would not have obtained it any other way and He is constantly reminding me that He has already orchestrated my successful future.

Jeremiah 29:11 For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future.

Romans 8:18 For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us.

BUSINESS EXCELLENCE

Conduct All Business just-like Jesus is Your Customer!

Colossians 3:23-24: "And whatsoever ye do, do it heartily, as to the Lord, and not unto men; knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ.

Conduct All Business Decently and In-order!

1 Corinthians 14:40: But all things should be done decently and in order.

I AM PROVISION!

As a Joint-Heir with Jesus Christ:

- 1) Funding the Community is my responsibility.
- 2) I Don't wait on Provision, I am Provision!
- 3) I Manifest Provision (because Christ is In me and I am in Him)!
- 4) I am my Clients, My Employees and My Constituent's Provision.

DAILY REMINDER

Only Say, What God Would Say! **Stop Saying:**

- "Life is Hard"
- "Life-is-Lifing"
- "People are Difficult"

You are not your own, Your Body Belongs to God and He says to let HIS MIND be in you.

Allowing God's Mind, God's Word to continually be in-you is the only-way you can live a happy, prosperous and healthy life!

When You Understand Your Purpose, You can understand and accept that your trials and haters are necessary to train you how to respond and handle your next level or assignment.

"When You know and accept that My Yoke is Easy and My Burdens are Light you can truly Glory in your trials and tribulations that I am allowing!"

You can either quote God Or quote satan (doing both = satan = frustration) It takes practice to say what God says.

STEP ONE

Developing and Communicating the Perfect Presentation!

(1) DEVELOPING THE PERFECT PRESENTATION

Your presentation, information and delivery must-be flawless and perfect – First Impressions are Critical!

Your Appointments and Presentation Materials Are Being Setup Now.

See online schedules for your individual meetings, presentations and interview times with the following:

- B2B Networking Session's Presentations to funders.
- Radio and TV Interviews.
- City and County Council Meetings.
- Meetings with City, County, State & Federal Officials.
- Corporate Decision-makers.
- Grant-makers and Agencies.
- Podcast Intros and promotional materials.

CONFIRM YOUR INFORMATION

Check the website to ensure your weekly planning, filming and production times are correct and you and/or your team can work with the times that are set for you.

All professionals needed to help you develop your "Perfect-Presentation" and Podcast Show will attend your weekly sessions.

PRACTICE – REHEARSAL – PRACTICE – REHEARSAL

About the Carolina B2B Membership

Established to Start, Sustain or Grow
Small Businesses or Nonprofits.

Small Businesses and Nonprofits are invited to join the B2B Membership by presenting their services at the Carolina Business to Business Networking Sessions.

The Membership provides a new long-term funding source of \$1,500 to \$10,000 per month for using the CBN communication platforms and the PC Network corporate service-providers.

It's Not Free Money, Loans or Grants, It's Never Repaid and It Never Runs Out! It's A Group-Purchasing Network!

Small businesses, nonprofits, churches and teams register for the funding, business and communication platforms and corporations, partner for the guaranteed group-contracts.

The amount members qualify to receive is based on their annual operation's budget.

Funds are distributed to members through a new Group-Purchasing Debit Card that revolves the two million dollars through the local community every month. Purchasing with specific corporations through the network is required.

The debit card must be used for startup, daily business operations and expansion expenditures (payroll, equipment, facilities, loans, bills, transportation, supplies and expansion etc). Members will never be required to purchase anything outside of their line-item budgets. New startups are encouraged to apply.

The Carolina B2B Membership's primary purpose is to assist individuals who are in-need-of help with starting, sustaining or growing their business, nonprofit or church.

Customers, Supporters, Funding, Communications and Business Services are provided through the CBN's podcasts, newsletters, directories, networking sessions and the Carolina Media Arts and Business Centers.

Registration and Information Sessions are happening now in Longs and Myrtle Beach, South Carolina.

The Carolina Business to Business Membership is managed locally by the Carolina Media Arts Center LLC.

Horry County Community Development Fund

A NEW LOCAL FUNDING SOURCE for community building-projects

CBN (Carolina Broadcast Network)

Serves as the vehicle that will unite the small businesses, nonprofits, residents and corporations that will produce the funding for the Horry County Community Development Fund.

The CBN consist of five communication platforms that will allow two million dollars per month to be generated through groups of fifty Podcasts, Newsletters, Directories and the weekly Business to Business Networking Sessions.

Funds are generated through Memberships, Subscribers, Advertisers, Sponsors, Grants and Service Provider Contracts. The Career Development and Technology Programs for students allow CBN to generate specific career and community development funds.

Groups of fifty small businesses and nonprofits are currently working together to secure twenty-four million dollars a year to serve the local communities through this source. Four million dollars a year of these funds will be used to fund each of the participating organization's planning-phase, land acquisition, building construction, annual maintenance, daily operations and their community programs.

Resource & Referral Networks

Consisting of Video Podcasts, Newsletters, Directories, Community Calendars & Weekly Networking Sessions.

Each of the six projects are currently establishing online and in-person information hubs located at the business centers in each community.

Each organization is seeking input, comments and participation from the community to determine the specific needs of every family, business and organization in their service area. *See filming, meeting and planning times for each project (www.MyCBNtv.com).*

It's Not Free Money, Loans or Grants, It's Never Repaid and It Never Runs Out! It's A Group-Purchasing Network.

Through The Carolina Media Arts Centers and the Carolina Broadcast Network, six community building projects were identified that will allow the entire county to benefit from each project that will serve a specific need in each community.

(1) Longs Community Development Center is currently in full-swing. Land, office and programming space has been acquired. Several funding sources are in progress, the board of directors and committees are now opened to the community. The Media Arts and Business Center is now serving the community.

Longs Community Center

(2) Wellspring Empowerment Center Currently seeking land and inviting the residents on the South Strand to join the planning committees. The Carolina Media Arts & Business Center and The B2B Networking Sessions are currently operated from the Wellspring Fellowship Center.

Wellspring Community Ctr

(3) Senior Care Network Families, care-providers and seniors join forces to establish the Senior Care Network to ensure every senior and care-giver has access to the specific services needed. Four homes in the Conway area been identified and are currently being sought-after for the first Soar Senior Home community that will house twelve seniors.

Senior Care Network

(4) Gymnasium Projects Coaches, student-athletes, parents and families are uniting to ensure that each community has the best athletic facilities and services needed. Land for the first project has been identified in the Longs community. Four facilities are planned for 2026-2027.

Gymnasium Projects (4)

(5) Carolina Performing Arts Center A core group of performing artists and entertainment companies are uniting their efforts to build a state of the art Performing Arts Center and Arts Network that serves each of their specific needs to start, sustain and grow their art, program or business.

Performing Arts Center

(6) Atlantic Beach Development Project Designed to unite the residents, the rental property owners and the business community. This new funding and communication source will visually enhance the community and will cause sustained long-term economic growth while drawing the twenty million tourists visiting the Grand Strand (each year) to visit Atlantic Beach.

Atlantic Beach Development

HCCD FUND (Phase One)

\$24 MILLION DOLLARS

The Group of fifty small businesses and nonprofits will share the twenty-four million dollars.

FOUR MILLION DOLLARS EACH distributed to the six building projects listed below (as part of the strategic industry and relationship building phase).

These six Horry County building-projects are uniting their communication and funding campaigns, to generate the first twenty-four million dollars a year to fund their planning-phase, land acquisitions, construction, community program development, daily operations and building maintenance.

Information

Purpose of the HCCD Fund

To generate funds for selected community building projects and operations in Horry County, South Carolina.

How the twenty-four million dollars are generated

Group-purchasing contracts, advertising revenue from the Carolina Broadcast Network and community development grants provides the funding for the HCCD Fund.

Time-line (for funds disbursement)

1. March - April 2025 - \$1,500 to \$10,000 distributed to the groups of fifty members.
2. July to October 2025 - Four Million Dollars distributed to each of the six projects.
3. January 2026 - The six projects begin working towards their personal \$24 Million Dollars.

How funds are managed (through transparency and good governance)

Lead by the accounting firm and the legal team, one leader from each of the organizations (being funded) serves on the financial management team that oversees the funds. Each year, six new projects and six new financial managers are elected to serve on the financial management team. The HCCD fund does not hold any assets or Accounts with Funds. Funds are transferred to the HCCDF and immediately transferred to the members.

Who qualifies-for and/or receives funding

All Members of the Carolina Business to Business Network who are working on building projects.

Who Benefits from the funds

The entire county and all Carolina B2B Members are served through the twenty-four million dollars. All managing organizations are purposed to serving the community and are committed to spending all funds in the County. All members of the Carolina B2B Network live and serve in the communities where funds are generated and expended. All recipients of funding are required to be Carolina B2B Members (see funding requirements at www.CarolinaB2B/HCCdevelopmentFund).
