## Making Connections Gift Profile Guide \$1,800,000 Goal

# Our Primary Goal is 100% Participation

Our primary goal is that 100% of those who call Chesterfield their home church would make a sacrificial commitment to our Making Connections initiative. Generosity is a fundamental aspect of Christian discipleship, reflecting the character of Christ and shaping believers into faithful stewards of God's blessings. More than a financial goal, it is most important that we each ask God what commitment He would have us make...and then every one of us does that together.

## **THE GIVING GOAL      \$1,800,000**

*We are trusting Him to move through His people to invest \$1.8 million over these next two years to accomplish the vision He has given us.*

## **Enriching Ministries      \$1,000,000**

*The first component of our Making Connections initiative is ensuring the financial sustainability of all our **Enriching Ministries** for the next two years.*

## **Enriching Lives      \$800,000**

*The second component of our Making Connections initiative is to advance the construction of an Empowerment Center that will help people thrive economically, educationally, and spiritually.*
